

## REGISTRATION FORM

### 5<sup>th</sup> PANELLENIC CONFERENCE GREEN CHEMISTRY AND SUSTAINABLE DEVELOPMENT

20-22 October 2017, Patras Greece

Conference and Cultural Centre of the University of Patras

Participation with presentation

☐

Participation without presentation

☐

Type of presentation:

Oral

☐

Poster

☐

<b>Name</b>	
<b>Title/Position</b>	
<b>Organization</b>	
<b>Address</b>	
<b>Τηλ.</b>	
<b>Email</b>	
<b>Title of Presentation</b>	

Topics:

☐☐☐☐

Date:

#### Topics

<ol style="list-style-type: none"><li>1. Alternative synthesis</li><li>2. Design of safer chemicals</li><li>3. Alternative solvents</li><li>4. Energy efficient technologies (catalysis, biocatalysis)</li><li>5. Energy from renewables, hydrogen economy-fuel cells, solar energy technologies</li></ol>	<ol style="list-style-type: none"><li>6. Renewable feedstocks - Biomass</li><li>7. Design for biodegradation</li><li>8. Design of safer pesticides</li><li>9. Treatment and special applications of agricultural wastes</li><li>10. Education</li><li>11. Sustainable Development</li><li>12. Other</li></ol>
